

eSCOOTER INFORMATION (10/24)

North Yorkshire Electric Bikes Ltd does NOT have anything to do with eScooters. (Neither Sales, Service nor Repair.)

As far as we are concerned, they are ILLEGAL to use anywhere that the general public is allowed EXCEPT:

- 1/. You are allowed to ride an e-scooter rented as part of a government trial. (currently no local councils do this.)
- 2/. You may use a trial e-scooter on the road (except motorways) and in cycle lanes.(You must not use an e-scooter on the pavement.)
- 3/. You may use a privately-owned eScooter on YOUR OWN Private Land or on Private Land with the (written) permission of the Landowner.

The [rules for private e-scooters](#) have not changed.

It is against the law to use a privately owned e-scooter on public land. If you use an e-scooter illegally:

- you could face a fine
- you could get penalty points on your licence
- the e-scooter could be impounded
